PARKDALE SHORT-HORNS

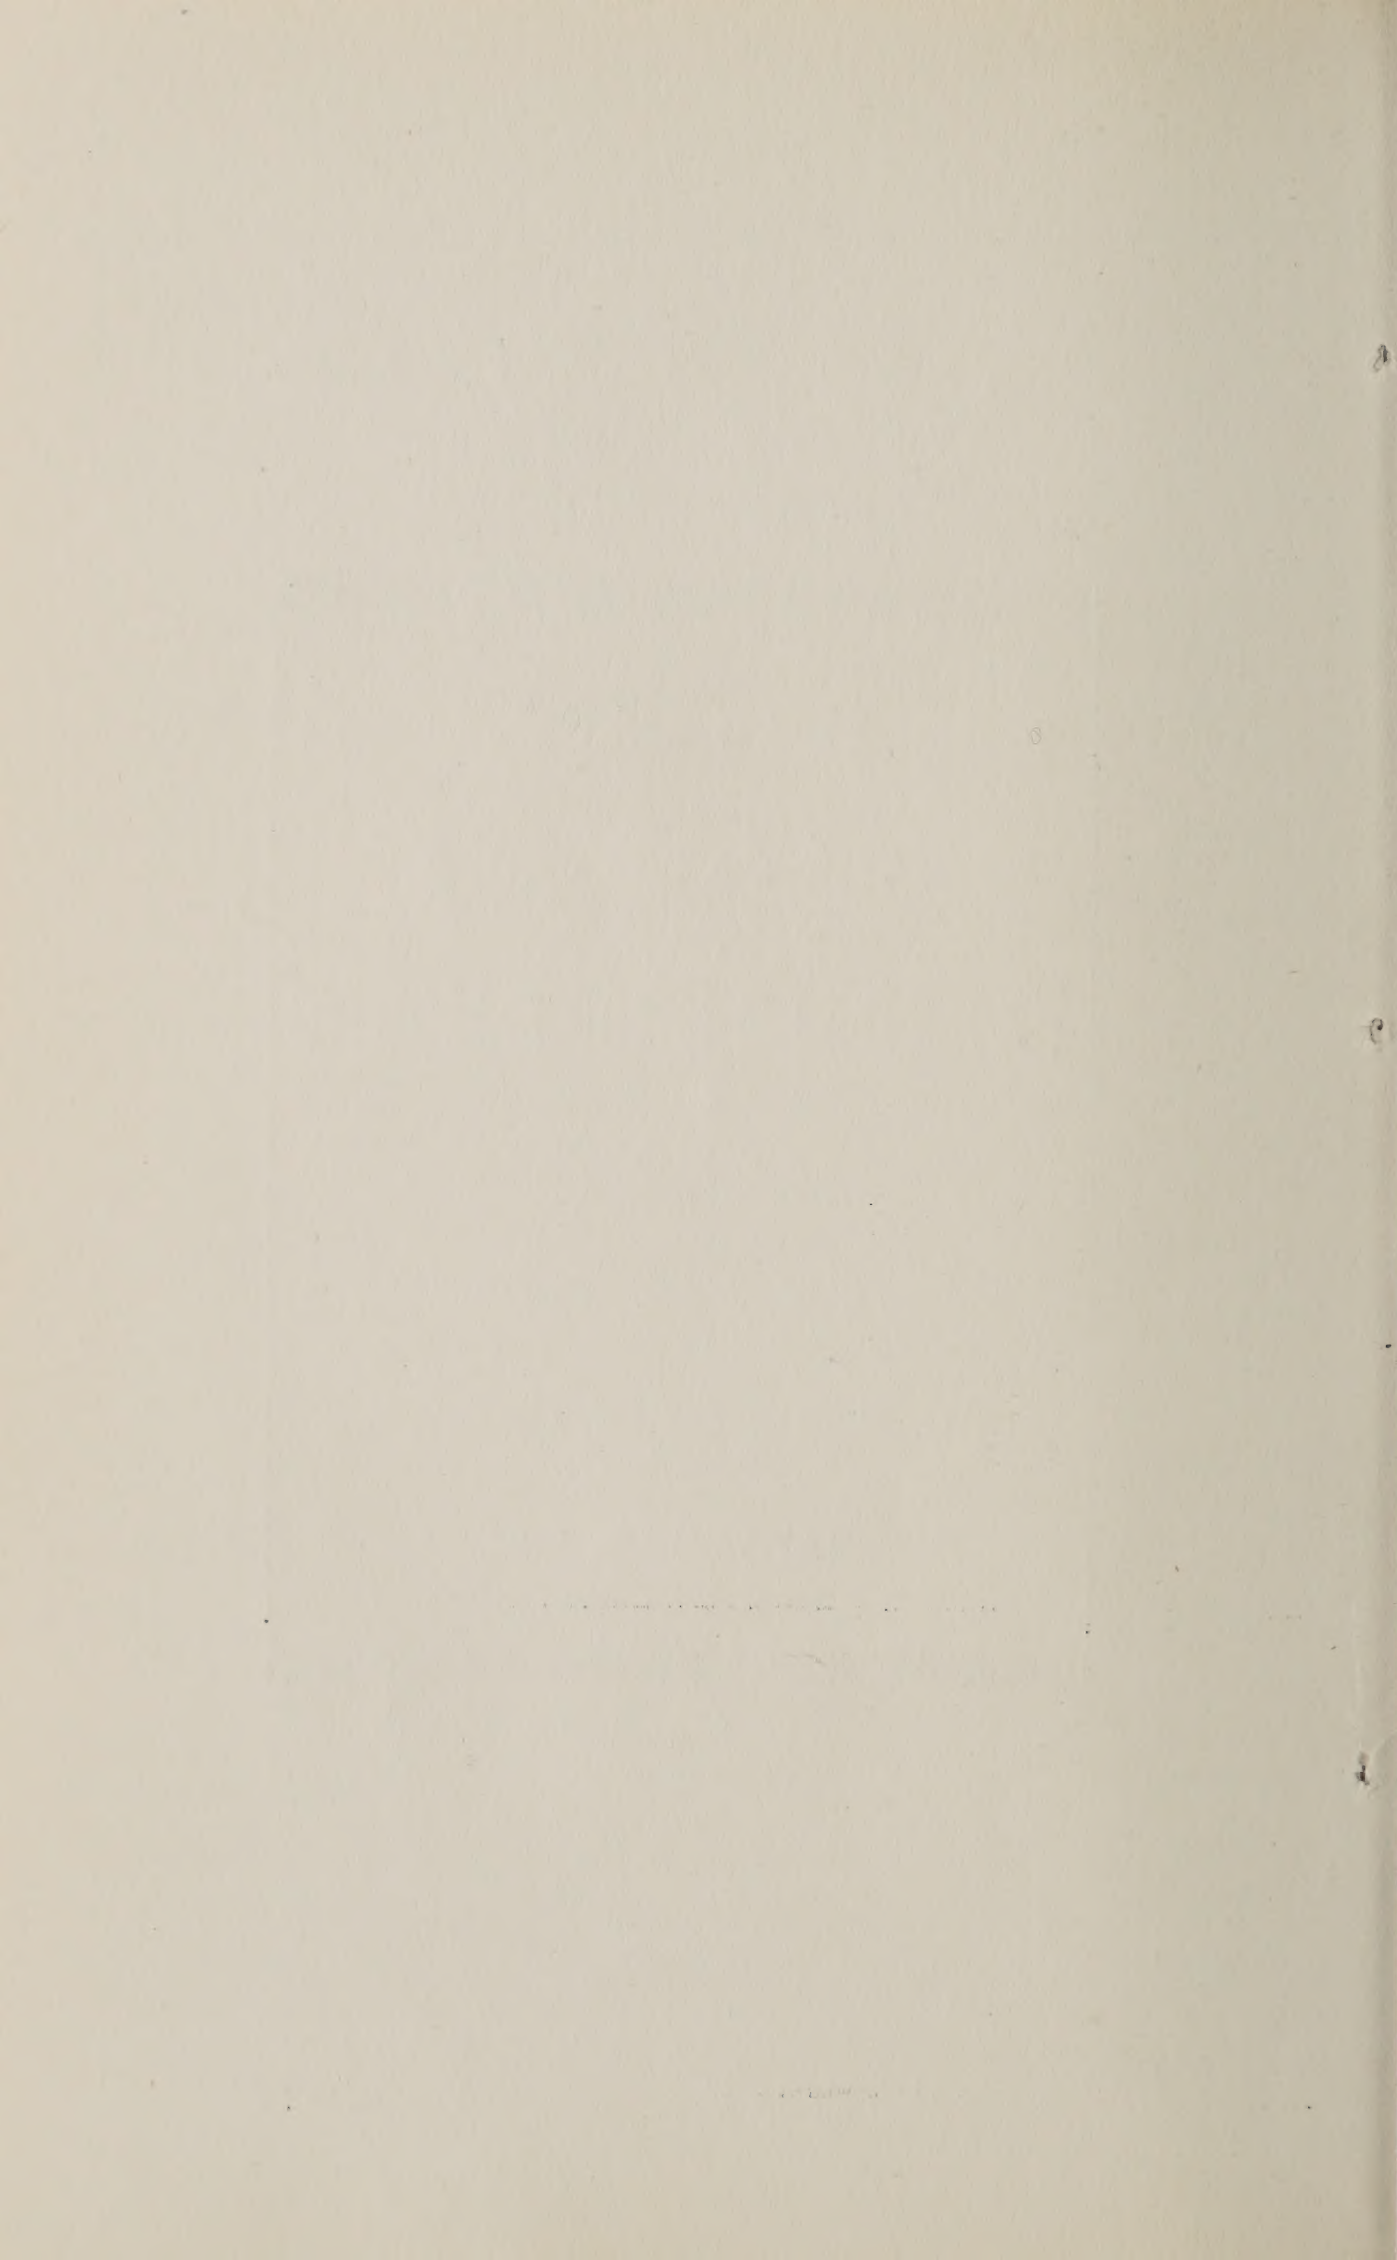

AT HOME

JUNE 14, 1905.

C. D. BELLOWS, OWNER,

MARYVILLE, MO.

ANNOUNCEMENT.

BREEDING SHORT-HORNS for twenty years finds me stronger in the faith than ever before. Conditions confronting the farmer make it imperative that better animals be kept on the farm in the future if a profit is expected. Thoughtful farmers are rapidly coming to recognize this fact, and more of them are turning their attention to the Short-Horn cow than ever before. This situation argues strongly for the future of the breed. My own experience, and observation of the experience of others, leads me to believe that now is the time to buy a few good Short-Horns with which to start a herd or add something good to herds already established. There is now no boom. The demand for good cattle has overtaken the supply, and is growing stronger; thus it is that the future holds much encouragement for those who breed the right kind.

My Fifth Annual Sale. In announcing this my fifth annual sale from the Parkdale herd, I wish to say that I have selected a class of cattle that for individual merit and breeding will, I think, creditably represent the herd and the work I am doing as a breeder. In this sale I am carrying out my original plan to offer nothing at my annual sales but what is believed to be sound, straight and all right. This is the only method by which the confidence of my customers and the public in general, can be held. Barren animals, doubtful breeders, and the like, are kept on the farm in hopes of returning to usefulness, or are sent to the butcher.

About the Cattle. The fifty-five head listed for this sale includes the best lot of bulls ever offered from the herd. There are Scotch bulls, also Scotch-topped bulls, fit to head any herd, and among them some very strong show-yard material. They are the get of such bulls as Hampton's Best, Master of the Grove, Gloster, Victorallan and others, and the farmer, breeder or showman can be suited. There are seventeen head from which to make selections. The females, I am sure, are the most desirable lot I have ever listed for these annual sales. No culls or undesirable things have been catalogued, and it is with confidence that I invite the public to come and see these cattle. Anyone who comes expecting to see a good lot of cattle, and is disappointed in the character of the offering, can have his expenses paid by making the fact known to me on sale day. The cows are a strictly good lot, and nearly all have calves at foot, and quite a few are bred again. The heifers are a very choice lot, and if I may be pardoned I will say that I think they are as good a lot as has been offered from any herd in many years. I call attention to the fact that in all there are 18 head the get of Hampton's Best. The calves at foot number fourteen head, and are by such bulls as Hampton's Best, Master of the Grove, Invincible Hampton, Victorallan, etc. The females are bred to one of the above named bulls, or to the show bull, Hampton's Model. Should any animal come to the sale with a known defect it will be pointed out, but no guarantee will be given for future usefulness. Heifers that have not passed their third period since having been bred may be left at the farm, and should they come in will be bred to any of our herd bulls free of charge.

The Show Cattle.

With the record back of them, made by my young show things during the past two seasons at the World's Fair, International and American Royal, it would seem that little need be said. All the animals constituting my young herd's winning 1st and 3d prizes at the World's Fair, are listed for this sale. They have always been carefully handled, fed little corn, and are in prime condition to carry on for the fall shows. Included are the two-year-old bull, Hampton's Model, the yearling bulls Columbus and Hampton's Advance; the two-year-old heifers, Hampton's Queen of Beauty, Hampton's Lavender, Hampton's Pearl and Gloster's Rose; the yearling heifers Christina Hampton, Hampton's Lovely, Hampton's Victoria, Gloster's Clara, Coreoster and Hampton's Rose. There are also several calves listed with their mothers, the get of Hampton's Best, Invincible Hampton or Master of the Grove, that will make a strong show in the calf class this fall. All of the show cattle listed are of my own breeding, and for the information of those not familiar with the facts, I might add that at the World's Fair at St. Louis my herd was awarded \$2790, including Missouri money, which was the largest amount of cash won by any Short-Horn exhibitor. The cattle with which I made these winnings were calves and yearlings, and one two-year-old bull, no aged animal being shown. These young show cattle, as well as everything in the sale, will be sold absolutely without reserve.

The Illustrations.

The illustrations by Burke and Ritchie will go to the buyers of the animals, free of charge, except group cuts. Certificates of Registration will be furnished with each animal sold, except calves at foot.

Shipping Stock.

All stock to be shipped, will be carefully loaded at the Burlington or Wabash stations free of charge, but will be at owner's risk as soon as bid off.

Sale at the Farm.

The sale will be held at Parkdale farm, located near the city limits of Maryville. By holding the sale at my home visitors will not only have an opportunity of seeing the herd bulls and the working herd, but will also be given the advantage of seeing the conditions under which Short-Horns are bred and reared at Parkdale. The herd bulls and matrons will also be on exhibition. Ample accommodations will be provided to convey all from hotels to farm and return, and no pains will be spared to make your visit pleasant and profitable whether you wish to buy or not. All parties attending the sale from a distance will be my guests at the Linville hotel, where I have instructed Mr. Clark, the proprietor, to give you the best he has, and under no circumstances to accept any money from you. Lunch will be served on the ground at noon, and the sale will open promptly at 1:00 p. m.

Location of Maryville.

Maryville is easily accessible by rail from all directions. It is on the Wabash, 90 miles southeast of Omaha, 170 northeast of Moberly, Mo., and 300 miles northwest of St. Louis. Also on the Burlington, 60 miles south of Creston, Iowa, and 40 miles north of St. Joseph, Mo. Parties coming over Chicago and Great Western should change at Conception, which is 14 miles east of Maryville on the Wabash. See time card elsewhere in this catalogue.

TERMS—Cash, or 6 to 9 months time, bankable paper at 7 per cent.

HAMPTON'S BEST is a bull for which I feel I am justified in making some strong claims. As a breeder his ability to transmit his individual excellence to his offspring, has been amply proven. Individually he is a bull of wonderful substance, extraordinary constitutional vigor and unsurpassed digestive and feeding qualities. He is a great natural flesh-carrier, and for uniformity and thickness in conformation is practically beyond criticism. A careful study of his pedigree will convince any student of Short-horn breeding that through his veins course much of the blood that for a quarter of a century has held the popularity of the best Cruickshank Short-Horns in America. He has become one of the truly great sires of the breed. In fact the record of his get during the past two years in class and group contests shows him to be the greatest sire of prize winners of any bull or the breed of his age.

NOTE—Hampton's Model comes as near being my ideal of a model up-to-date type of a Short-Horn bull as I have ever seen. I concede that he is the best bull I ever bred. He has been in the show ring the past two years and has never met a competitor that he has not defeated except Choice Goods at the American Royal, 1904. He is not an accident, but comes to his individual merit by inheritance. His development has been eminently satisfactory, and as a two-year-old his claims for grand championship honors at the coming fall shows must be counted unusually strong. We have used him since the International, and he has proven a good server and sure calf getter. It is to the use of such bulls as this that we must look for material with which to further improve the breed. No family has been more profitable in our hands than this one. His show record speaks for itself. At International, 1903, first in Junior bull calf class, reserve Junior champion; headed 1st prize calf herd, one of four calves winning American Short-Horn Breeders' Association "Challenge Cup" for four best calves bred by exhibitor, and was one of four calves that stood second as get of sire. At St. Louis, 1904, second as Junior yearling (later defeating his successful rival), 1st in Missouri class, headed first prize young herd, also 1st prize herd bred by exhibitor, and was one of 4 winning 2d as get of sire. At Illinois State Fair, 1904, 1st in class, Junior champion, headed first prize young herd, and was one of four winning 1st as get of sire. At American Royal, 1904, 1st in class, Junior champion, headed first prize young herd, and was one of four winning 2d as get of sire. At International, 1904, he headed his class and had most as many friends for the grand championship as Master of the Grove.

HAMPTON'S BEST—(See herd bull reference, page 5).

ROANOKE was a deep, thick, massive roan bull; got by the Booth Seraphina bull, Ben Hur, out of Susie by the Cruickshank bull Clara's Aboyne tracing to Imp. Sanspareil by Gauntlett (10260).

COLUMBIAN LORD—pure Cruickshank of the Jesse tribe, was by Imp. Sovereign Lord 153700, out of Clara Miller, by Imp. Red Emperor 51958; Clara Glamis by Imp. Lord Glamis 48192; Clarence by Imp. Baron Surmise 45933; and so on to Imp. Columbia, by Lord Lancaster, own son of the celebrated Champion of England (17556).

VALLEY CHAMPION—A pure Cruickshank, champion winner over all beef breeds at the Iowa state fair; got by the Cruickshank bull, Canada's Pride 2d (by Imp. Aberdeen Champion, by Barmpton) out of the historic producing cow, Caroline, by Royal Barmpton.

NOTE:—Hampton's Lavender is a heifer that no breeder should part with, but, in order to keep faith with the public and sell all of my show cattle, as I have advertised, she has to go. In point of breeding and individual merit I consider her one of the top notchers. She is worth a trip across the continent to see. Her depth of flesh, remarkable smoothness and finish together with unsurpassed front, great heart girth and splendid balance will make her a strong card in the 2 year old class this year. It would be hard to estimate her prospective value as a breeding cow.

HAMPTON'S BEST has stood at head of the Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull, of his age, whose get have made such a record. (See full pedigree on page 5).

The Lavenders are everywhere conceded to be one of the very first of the Sittyton tribes. Their origin is the same as that of the Lancasters, from which Mr. Pickrell's great bull, Imp. Baron Booth of Lancaster, was bred; and many of the most valuable cattle ever brought out from Scotland have borne the Lavender name. Probably the grandest cow ever owned by Col. Harris, at Linwood, was Imp. Lavender 36th of this same family. One of the greatest of the Champion show bulls of England, in recent years, is Count Lavender, the property of Mr. Deane Willis. As a class, the Lavenders are distinguished for their finish, flesh and quality.

IMP. BARON CRUICKSHANK 106297—A roan bull, selected as the best calf of Mr. Duthie's crop of 1891. He has been distinguished as a getter of compact, blocky, thick-fleshed stock. He was sired by Collingwood 106881, out of the fine cow Maria 10th by Field Marshal 64894.

GOLDEN RULE 98268—Sired by Robt. Miller's famous Goldstick 86748 (generally regarded as one of the choicest Cruickshank bulls ever imported to America) by the first class Sittyton-bred cow, Imp. Golden Feather by Cumberland 50626.

ROAN HEIFER CALF, April 18, 1905. sired by the prize winning Cruickshank bull Invincible Hampton 206226.

NOTE—Hampton's Queen of Beauty is all that her name implies. It is with a deep sense of regret that I part with her. If I may be pardoned I point to her as the beau ideal of the breeders art. She is the Twentieth Century Model. Has been a winner as a calf and as a yearling in the hottest contested shows of America. She has a beautiful roan heifer calf at foot by the show bull, Invincible Hampton, which I think is as good as her mother at same age. "The Queen" is the incarnation of substance, flesh and quality with sweetness, type and character. As a show heifer in 1st prize herds, groups and classes at America's leading shows, she has a record unequalled by any heifer of the breed of her age.

HAMPTON'S BEST has stood at head of the Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull, of his age, whose get have made such a record. (See full pedigree on page 5).

LORD LAVANDER—Got by Cupid 114902, out of Lavander Flower (Vol. 39) by Craven Knight 96923, tracing to Imp Lavander 38th by Dunblaine 65995.

IMP. SOVEREIGN LORD—A pure Cruickshank—was by Cumberland (46144), out of Sycamore by Count Robert (45269); Surmise by Champion of England (17526); Superb by The Czar (20947), Splendor by Lord Sackville (13249).

IMP. ABERDEEN CHAMPION—Bred by A. Cruickshank—was selected in person and imported in 1883 by John Dryden, Brooklyn, Ontario, afterwards purchased by L. Miller, Maryville, Mo. He was of the Cruickshank Cactus tribe, was got by Barmpton (37763) out of Costume by Bridesmaid (30586); g. d. Cactus by Champion of England (17526); gr. g. d Cicely by Lancaster Royal (18167).

IMP. STANLEY—(Illustrated in Vol. 14, A. H. B.) was a most excellent sire. He was got by Caesar Augustus (25704) out of Sweet Violet by Lord Stanley (16454); Violet by Lord Bathurst (14173), etc.

SENATOR—Was by Caractus (19397), out of The Gem by Lord Raglan (13245); Young Strawberry by Red Duke (22693); Strawberry by Khimua (10371), etc.

NOTE—Hampton's Lovely was one of the prize young herd at the World's Fair, and I consider her one of the most valuable daughters of Hampton's Best. She is royally bred and individually is as good as her breeding. In make up, finish, flesh and quality she has everything that could be desired. She combines show yard and breeding character. Her dam is a producer of show stock, being the dam of the junior champion female at International, 1901, also of Invincible Hampton the two-year-old bull shown by me last year, winning first at Illinois State Fair, first at American Royal, second at St. Louis, and second at International, 1904.

HAMPTON'S BEST has stood at the head of Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull of his age whose get have made such a record. (See full pedigree on page 5).

BARMPTON ROYAL, a fine bull of the Cruickshank, Barmpton Rose family, got by Imp. Salamis 110075, out of Barmpton's Pride by Imp. Prince Bishop (58170); Imp. Barmpton Primrose by Viking (48873); Barmpton Snowdrop by Roan Gauntlet (35284).

GOLDEN PRINCE, a thick-meated bull of the Cruickshank Brawith Bud family, got by Imp. Leyburn 60248, out of Golden Rose by Imp. Knight of the Rose, tracing to Golden Pippin by Champion of England (17526).

RED BULL CALF, Jan. 17, 1905, by Orange Gloster 220235, a Scotch Orange Blossom bull, tracing to Imp. Orange Blossom 19th, by Royal Duke of Gloster 20901.

NOTE—Banker's Lovely is a very fancy smooth turned young cow out of the dam of the show bull Invincible Hampton, and furthermore is a full sister to Lovely Maid, the junior champion female at the International, 1901. She is also a half sister to Hampton's Lovely, lot 4 of this sale. She has a red bull calf at foot. Upon examination you will find the pedigree to be gilt edge.

IMP. BANKER 130857—A Scotch bred bull of Mr. Campbell's famous Rosebud family, that produced Mr. Harrison's famous cow Warfare, which gained 135 prizes, including all the leading championships in Great Britain and Ireland, besides plates. His grandam, Roselinty, is the dam of Rose Blossom, the first prize three-year-old heifer at the Royal English Show at Manchester. Banker's sire was the fine Cruickshank bull Clan Alpine (69495), out of Rose Flower by the prize bull Emancipator (65447); Rose-linty by the noted Gravesend (46461); Rosemary by Banner Bearer (49034). Banker is the sire of Lovely Maid, the first prize junior yearling heifer at the great International Exposition at Chicago, December, 1901; he is also the sire of "four animals, get of one bull" that gained second prize at same show.

BARMPTON ROYAL, a fine bull of the Cruickshank, Barmpton Rose family, got by Imp. Salamis 110075, out of Barmpton's Pride by Imp. Prince Bishop (58170); Imp. Barmpton Primrose by Viking (48873); Barmpton Snowdrop by Roan Gauntlet (35284).

GOLDEN PRINCE, a thick-meated bull of the Cruickshank Brawith Bud family, got by Imp. Leyburn 60248, out of Golden Rose by Imp. Knight of the Rose, tracing to Golden Pippin by Champion of England (17526).

IMP. FAVORITE, got by Border Chief (37834) out of Lady Mysie 3d by Macbeth (37625), etc. Imp. Favorite was a fine individual, bred from prize winners.

NOTE—Coreoster is a red daughter of our former Cruickshank herd bull, Gloster, and her dam is one of our most valuable cows of Mr. Cruickshank's favorite Clipper family. She is a superb heifer, very smooth and well finished and of show yard character. Any one looking for a yearling show heifer should not fail to see her.

GLOSTER 137952—a red, of the Cruickshank Flora tribe, got by the Cruickshank Duchess of Gloster bull, Royal Gloster 117199, he by the Cruickshank bull Imp. Ducal Crown 97149, out of Duchess of Gloster 2d by Commander 89556. The dam of Gloster, Queen Glamis was by the Cruickshank Rosemary bull, Bonny Scott 106590, he by Imp. & Exp. Hospodar, out of Rosemary 4th, she by Imp. Burgomaster (52665), out of Imp. Rosemary, by Breadalbane. On her dam's side Queen Glamis traces to Imp. Flora 17th, bred by A. Cruickshank and sired by Perfection 61408. From Imp. Flora 17th has sprung a valuable family of Shorthorns notable for quality, easy fleshing tendencies and excellence at the pail.

LOCHINVAR 119977—A Cruickshank Lavender bull, got by Galahad 103259, 14th Linwood Lavender by the great Baron Lavender 2d 72610; Imp. Lavender 32d by Roan Gauntlet (35284); Lavender 15th by Lord Warden (31766); Lavender 12th by Count Bickerstaffe 2d (25838); Lavender 8th by Brian Boru (17440). Baron Lavender 2d was the best bull Col. W. A. Harris ever bred at Linwood. He was got by Imp. Baron Victor 8242, out of the magnificent roan cow Imp. Lavender 36th, by Roan Gauntlet, that was undoubtedly the best Cruickshank cow of the Linwood herd.

IMP. SALAMIS 110085—A richly-bred Cruickshank Secret bull of great size, smoothness, depth and quality, used with great success in the Northern herd. It is believed that he carried more of the blood of Champion of England through that bull's greatest daughter Princess Royal than any other bull imported from Scotland. He sired among other prize cattle, the group of four that won first as the get of one bull at the Chicago International Exposition, December 1900. Salamis was got by Chesterfield (57049) out of Siren by Commodore (54118); Sarcasm by Cumberland (46144); Sensation by Roan Gauntlet (35284)

IMP. PRINCE BISHOP (51870)—A choice bull of the Cruickshank Duchess of Gloster family, got by Dunblane (47792), 24th Duchess of Gloster by Lord of the Isles (40218); 21st Duchess of Gloster by Barmpton Prince (32995); 13th Duchess of Gloster by Grand Duke of Gloster (26288); 12th Duchess of Gloster by Champion of England (17526).

NOTE—Cora Bapton is a fine large red heifer, sired by Imp. Bapton Admiral and out of one of my most highly prized breeding cows of Mr. Cruickshank's favorite Clipper family.

IMP. BAPTON ADMIRAL, is a red bull of great size and exceedingly rich in the blood of A. Cruickshank's own breeding. His dam, and for seven generations on the maternal side were all bred by Mr Cruickshank. His sire Bapton Victory (69910) a Cruickshank Victoria, was a winner of many prizes, and an own brother to the Champion Count Victoria, they both being sired by the great Count Lavender, one of the greatest of all the latter day Cruickshank bulls of Scotland. Bapton Admiral was imported especially for use on the herd of C. C. Norton, and his dam Globe Flower is said to be one of the best cows in Great Britain. She is also the dam of Bapton Glory one of the stock bulls used successfully by W. S. Marr.

LOCHINVAR 119977—A Cruickshank Lavender bull, got by Galahad 103259. 14th Linwood Lavender by the Great Baron Lavender 2d 72610; Imp. Lavender 32d by Roan Gauntlet (35284); Lavender 15th by Lord Warden (31766); Lavender 12th by Count Bickerstaffe 2d (25838); Lavender 8th by Brian Boru (17440). Baron Lavender 2d was the best bull Col W. A. Harris ever bred at Linwood. He was got by Imp. Baron Victor 42824 out of the magnificent roan cow Imp. Lavender 36th, by Roan Gauntlet, that was undoubtedly the best Cruickshank cow of the Linwood herd.

IMP. SALAMIS 110075—A richly bred Cruickshank Secret bull of great size, smoothness, depth and Quality, used with great success in the Northern herd. It is believed that he carried more of the blood of Champion of England through that bull's greatest daughter Princess Royal than any other bull ever imported from Scotland. He sired among other prize cattle the group of four that won first as the get of one bull at the Chicago International Exposition, December, 1900. Salamis was got by Chesterfield (57049) out of Siren by Commodore (54118); Sarcasm by Cumberland (46144); Sensation by Roan Gauntlett (35284).

IMP. PRINCE BISHOP (51870)—A choice bull of the Cruickshank Duchess of Gloster family, got by Dunblane (47792), 24th Duchess of Gloster by Lord of the Isles (40218); 21st Duchess of Gloster by Barmpton Prince (32995); 13th Duchess of Gloster by Grand Duke of Gloster (26288); 12th Duchess of Gloster by Champion of England (17526).

NOTE—Lavender Blossom descends from the Cruickshank cow Imp. Orange Blossom 19th, the same as Master of the Grove. She is a wonderfully deep ribbed, thick heifer, on short legs and shows rugged constitution. This is a valuable and prolific family.

LAVENDER BUD was a Cruickshank Queen of Beauty bull, bred by B. O. Cowan, got by the Norton bred Lavender Prince 144120, son of Imp. Salamis and Lavender Flower by Imp. Craven Knight (57121), out of Queen of Beauty 12th by Velveteen Prince 113981, Queen of Beauty 5th by Imp. Red Emperor 71419.

VALLEY CHAMPION—A pure Cruickshank bull, bred and used by F. Bellows & Sons. As a calf he was the champion winner over all beef breeds at the Iowa State Fair. He was a bull of substance and wonderful fleshing qualities, and as a uniform breeder of high class stock had few equals. That his blood is breeding on is evidenced by the high character and quality of his descendants, even to the third generation. He was got by the Cruickshank bull, Canada's Pride 2d, by Imp. Aberdeen Champion, by Barmpton, out of the historic producing cow, Caroline, by Royal Barmpton.

9TH ORANGE DUKE 63765—Red and white, 1883, bred by E. T. Noel, Nashville, Tenn. A bull of the famous Orange Blossom tribe, got by Orange Duke 57267, out of 8th Orange Blossom of Tennessee by 5th Duke of Hillhurst 22805; Imp. Orange Blossom 19th by Royal Duke of Gloster (29864).

NOTE—Hampton's Pearl was a member of the 1st prize young herd at the World's Fair and is a heifer of most remarkable substance, constitutional vigor and wealth of flesh, coupled with breed character unsurpassed. She has a head and countenance to challenge the skill of an artist. Her front, heart girth and thickness over crops, together with the superb arch of rib and thickness from end to end will make her one of the unusually strong show yard candidates in the two year old class this year. I have her mother and grandmother in the herd. I paid \$610 for her grandmother and the investment was one of the best I ever made. This heifer is a full sister to Hampton's Treasure bull No. 47 of this sale.

HAMPTON'S BEST has stood at head of the Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull, of his age, whose get have made such a record. (See full pedigree on page 5).

NORFOLK, a stylish, thick fleshed bull, and an excellent breeder, by Prince Royal 113305 (a son of the famous Princess Alice) out of Waterloo Duchess 9th by 31st Duke of Airdrie 50831.

GRAND VICTOR, Red, Cruickshank's Victorie tribe, got by Imp. Grand Elector 86826; out of Imp. Lady Victorio by Vansgarth (84002); g. d. Victorie 67th by Lord of the Isles (40218); gr g d Victoria 55th by Lord Lancaster (26666), etc. Grand Victor was a smooth, thick, deep bodied, short legged bull, with a wonderful heart girth and plenty of size, style and finish, and as a breeder cannot be surpassed as he imparts his wonderful constitution to his get. His get have been successful in the show ring.

LORD LOGAN, "Milwood's White Rose tribe," was by Duke of Sharon 97639, dam, May Logan by 72d Duke of Goodness 62398; g d Olive Logan 2d by Kirklevington Lad 44090, etc. Lord Logan, "a dark red" and a most excellent sire, was a bull with great quality, a very smooth, thick fleshed, heavy quartered bull with a wonderful constitution "weighing at ten months old 1000 pounds." He is a full brother to the dam of Grand Rose 4th.

NOTE—Christina Hampton is a red daughter of Hampton's Best and is a gem of the first water. She was in our first prize herd at the World's Fair, St. Louis, also at all the other prominent shows of the year. See Mr. Burke's illustration. She is a famous doer and will be a hard nut to crack in the yearling class this year. Such crops, heart girth and spring of rib are rarely met with—Her mother and full sister are lot 17.

HAMPTON'S BEST has stood at head of the Parkdale herd for three years and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Shorthorn bull, of his age, whose get have made such a record. See full pedigree on page 5.

VICTOR OF WILDWOOD 126054—was sired by W. Clay's noted Golden Victor 86744, (bred by Col. Harris, and got by his celebrated Imp. Baron Victor (42824), bred by A. Cruickshank), dam Orange Blossom of Windsor, by Orange Blossom's Perfection 71000, bred by J. I. Davidson, g. d. Orange Blossom of Oakland, by Imp. Antiquary (49774), bred by A. Cruickshank; g. g. dam Imp. Orange Blossom 30th, by Prioe of the Isles (35072).

CHIEF VIOLET 4th—Cruickshank's Violet tribe—was by Scottish Chief 89317, dam Rosedale Violet 2d, Vol. 34, by Imp. Chief Justice 73256, g. d. Imp. Marsh Violet, bred by A. Cruickshank of Sittyton, Aberdeenshire, Scotland. Marsh Violet was imported by J. I. Davidson of Balsam, Ontario, Canada, who was the most discriminating importer on the American continent. The fact that Mr. Cruickshank owned and bred this family for a period of over fifty years, we think it abundant evidence that he held this family in high esteem.

CRYSTAL WATERLOO 102330—Bates' celebrated Waterloo tribe—was by Winsome Duke 3d 72209, out of Imp. Waterloo Duchess 4th, Vol. 26, p. 1218, by Rowfant Duke of Oxford (43926). Imp. Waterloo Duchess 4th, bred by Rev. J. J. D. Jefferson, Thicket Priory, York, England, and was imported in 1880 by the late Col. H. M. Vaile of Independence, Mo. During the late great depression in Short-Horn values Col. Vaile sold several of this family, both male and female, at from \$500 to \$1000 each. Crystal Waterloo was purchased from Col. Vaile in 1890 and was used on the Crystal Springs Herd for several years.

RED HEIFER CALF, Nov. 17th. 1904, by Hampton's Best 170818. This calf is full sister to Christina Hampton, which was in the first prize young herd at the World's Fair, St. Louis.

CHRISTINA—is an extra good breeder as her two daughters in the sale will attest. She is the mother of the show heifer, Christina Hampton (see No. 16) and her heifer calf at foot is strictly a show calf in every sense of the term.

VICTOR OF WILDWOOD 126054—was sired by W. Clay's noted Golden Victor 86744, (bred by Col. Harris, and got by his celebrated Imp. Baron Victor (42724), bred by A. Cruickshank), dam Orange Blossom of Windsor, by Orange Blossom's Perfection 71000, bred by J. I. Davidson, g. d. Orange Blossom of Oakland, by Imp. Antiquary (49774), bred by A. NOTE—Hampton's Rose was a member of our successful show herd of last year. She is a very thick sappy heifer and comes from a family of young Marys that never gave us a poor one. She was first prize heifer calf at Illinois' State Fair 1904.

HAMPTON'S BEST has stood at the head of Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull of his age whose get have made such a record. (See full pedigree on page 5).

ROAN SCOT—a Scotch topped bull bred from our great producing family of Young Phillises. He was got by the Cruickshank Rosemary bull Bounie Scot 106590, he by Imp. & Exp. Hospodar by Dunblane. The dam of Roan Scot was by the great show bull and sire Valley Champion 110477, a pure Cruickshank, that did so much for the Valley Home herd of my Father.

IMP. RED EMPEROR—won the first prize in 1885, as a yearling at the Grand Dominion and Provincial Exhibition at London, was first at the Great Central at Hamilton, and first as well as grand sweepstakes as best bull of any age at Whitby, Canada. In 1886, as a two-year-old, was winner of the following prizes: At Maryville, Mo., first in class and first in grand sweepstakes; at St Joseph, Mo., first in class; at Omaha, Neb., first in class; first in sweepstakes for Short-Horns, and first in grand sweepstakes all breeds competing; at Lincoln, Neb. State Fair, first in class, first in sweepstakes for Short-Horns and first in grand sweepstakes; at Shenandoah, Iowa, first in class and first in grand sweepstakes; at St. Louis, Mo., first in class and first in sweepstakes, thereby stamping himself as one, if not the greatest, prize winner in this country. He was of Cruickshank's Goldie tribe—was by Perfection (37185), out of Harmony by Pride of the Isles (35072); g. d Hawthorn by Royal Duke of Gloster (29864); gr g d Goldie 4th by Young Pacha (20457), etc.

WHITE BULL CALF, April 6th, 1905, by the Cruickshank show bull, Invincible Hampton 206226.

NOTE—Rose Admiral is a rich, red, roan cow of the sort that any breeder would be proud to have in his herd. She has a bull calf at foot by the show bull, Invincible Hampton that is a “corker”. This is a very prolific family. They are good milkers and good breeders. Note the Scotch blood through top crosses of this pedigree.

YOUNG ADMIRAL, a Cruickshank topped Booth bull, was by Columbian Lord 121951, out of Valley Queen by Valley Champion 110477, 2d dam Seraphina of Melrose 16th, by Imp. Aberdeen Champion.

ROAN SCOT—a Scotch topped bull bred from our great producing family of Young Phillises. He was got by the Cruickshank Rosemary bull Bonnie Scot 106590, he by Imp. & Exp. Hospodar by Dunblane. The dam of Roan Scot was by the great show bull and sire Valley Champion 110477, a pure Cruickshank, that did so much for the Valley Home herd of my Father,

MONMOUTH—got by Imp Scottish Lord 77761 bred by A. Cruickshank and sire of B. O. Cowans' 1st prize herd at World's Fair at Chicago 1893, dam Minnie Forest 2d by Bell Duke of Thorndale 42868 by the \$17,900 14th Duke of Thorndale.

IMP. RED EMPEROR won the first prize in 1885 as a yearling at the Grand Dominion and Provincial Exhibition at London, was first at the Great Central at Hamilton, and first as well as grand sweepstakes as best bull of any age at Whitby, Canada. In 1886, as a two-year-old, was winner of the following prizes; At Maryville, Mo., first in class and first in grand sweepstakes; at St. Joseph, Mo., first in class; at Omaha, Neb., first in class, first in sweepstakes for Short-Horns, and first in grand sweepstakes, all breeds competing; at Lincoln, Neb., State Fair, first in class, first in sweepstakes for Short-Horns and first in grand sweepstakes; at Shenandoah, Iowa, first in class, and first in grand sweepstakes; at St. Louis, Mo., first in class and first in sweepstakes; thereby stamping himself as one, if not the greatest prize winner in this country. He was of Cruickshank's Goldie tribe—was by Perfection (37185), out of Harmony by Pride of the Isles (35072); g d Hawthorn by Royal Duke of Gloster (28864); gr. g d, Goldie 4th by Young Pacha (20457), etc,

NOTE—Gloster's Rose is a top notch show heifer, as smooth as a ribbon, and as full of flesh as an egg is full of meat. She is as mellow as a peach, almost without a fault in conformation, and is a "quality" heifer from end to end. She was 3d in junior yearling class at St. Louis, Illinois State Fair and American Royal, 1904. Was a member of the 3d prize young herd, also 3d prize young herd bred by exhibitor at St. Louis. As produce of cow, she and the roan, Gloster's Clara, stood 2d at Illinois State Fair, 2d at American Royal and at the International. She will make a stronger show next fall than she did as a yearling. Her mother, also her grandmother, are two of our most highly prized breeding cows, being reliable and regular producers of high class stock. She is bred to Hampton's Best

GLOSTER 137952—a red, of the Cruickshank Flora tribe—got by the Cruickshank Duchess of Gloster bull, Royal Gloster 117199, he by the Cruickshank bull, Imp. Ducal Crown 97149, out of Duchess of Gloster 2d, by Commander 89556. The dam of Gloster, Queen Glamis, was by the Cruickshank Rosemary bull, Bonnie Scot 106590, he by Imp. & Exp. Hospodar, out of Rosemary 4th, she by Imp. Burgomaster (52665), out of Imp. Rosemary, by Breadalbane. On her dam's side Queen Glamis traces to Imp. Flora 17th, bred by A. Cruickshank and sired by Perfection 61408. From Imp. Flora 17th has sprung a valuable family of Short-Horns, notable for quality, easy fleshing tendencies and excellence at the pail.

YOUNG EMPEROR—a Cruickshank bull of wonderful finish and scale, weighing 2500 lbs. Got by the Secret bull, Imp. Scotchman (105418), out of Red Empress, by Imp. Red Emperor (51948); Cora 2d, by Baron Napier 49913; Caroline, by Royal Bampton (32296), to Imp. Columbia by Lord Lancaster (26666). From Caroline sprang one of the best families of Cruickshank cattle in America.

IMP. SOVEREIGN LORD—a pure Cruickshank—was by Cumberland (46144), out of Sycamore, by Count Robert (45249); Surmise, by Champion of England (17526); Superb, by The Czar (20947), Splendor, by Lord Sackville (13249).

GLOSTER'S CLARA—a member of our successful show herd of last year. She is a beautiful red roan, was always a prime favorite, has commanding appearance, great character and smoothness, with substance. This family has been producing show cattle for generations, and we count them among our best. In her yearling form we consider her one of the best we have produced. If shown she will certainly have to be reckoned with, as she is fit to meet all comers. She and Gloster's Rose, (lot 23), full sisters, are shown in Mr. Richie's illustration. Both have been consistent prize winners. Gloster's Clara was member 3d prize young herd, St. Louis, also 3d prize herd bred by exhibitor; 2d as produce of cow at Illinois State Fair, at American Royal, and 3d at International, 1904.

YOUNG EMPEROR—a Cruickshank bull of wonderful finish and scale, weighing 2500 lbs. Got by the Secret bull, Imp. Scotchman (105418), out of Red Empress by Imp. NOTE—Hampton's Princess is one of the fancy daughters of Hampton's Best, was member of our 1st prize calf herd at International 1903. She is the ideal type for a breeding cow and would make a strong show in the 2 year old class this year. She must be seen to be appreciated

HAMPTON'S BEST has stood at head of the Parkdale herd for three years and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Shorthorn bull, of his age, whose get have made such a record. See full pedigree on page 5.

CHIEF VIOLET 4th—"Cruickshank's Violet tribe" was by Scottish Chief 89317; dam Rosedale Violet 2d, Volume 34 by Imp. Chief Justice 73256; g. d. Imp. Marsh Violet bred by A. Cruickshank of Sittyton, Aberdeenshire, Scotland. Was imported by J. I. Davidson of Balsam, Ontario, Canada, who was the most discriminating importer on' the American continent. The fact that Mr. Cruickshank owned and bred this family for a period of over fifty years, we think, is abundant evidence that he held this family in very high esteem.

CRYSTAL WATERLOO—"Bates' celebrated Waterloo tribe" was by Winsome Duke 3d 72209, out of Imp. Waterloo Duchess 4th (vol. 26, p 1218), by Rowland Duke of Oxford (43926), Imp. Waterloo Duchess 4th bred by Rev. J. J. D. Jefferson, Thicket Priory, York, England, and was imported in 1880 by the late Col. H. M. Vaile of Independence, Mo. During the late great depression in Short-Horn values, Col. Vaile sold several of this family, both males and females, at from \$500 to \$1000 each. Crystal Waterloo was purchased from Col. Vaile in 1890 and used on the Crystal Spring Herd for several years.

NOTE—Hampton's Josephine is a fancy daughter of Hampton's Best. She combines much good breeding, has beautiful head and horn, and is the making of a very large, smooth cow of the best breeding type, and is in every way worthy of her superb breeding.

GOLDEN RULE 98268—Sired by Robert Miller's famous Goldstick 86748 (generally regarded as one of the choicest Cruickshank bulls ever imported to America) and dropped at Mr. Dustin's Hill Farm by the first-class Sittyton-bred cow, Imp. Golden Feather, by Cumberland 50626. He was extensively used in the Dustin herd until the fall of 1892, when he was sold along with the imported heifer, Red Empress, to Mr. H. F. Brown of Minneapolis, who exhibited both animals successfully at leading cattle shows of 1893. He was a bull of elegant quality, smooth as an egg, full of mellow flesh, standing very near to the ground on short, neat legs; altogether an animal of great finish, and his get have developed into neat, thick and thrifty stock.

GOLDEN CHIEF was bought from the late Robert Miller of West Liberty, Iowa, for use at Hill Farm, and left a most valuable progeny. His get partook largely of his own fine breeding quality, possessing as a rule wide ribs, splendid constitution, and an aptitude to fatten readily at an early age. He was a remarkably short-legged, heavy-fleshed red of extraordinary substance, carrying a great wealth of natural flesh, and in disposition so tractable that a child might handle him.

WATERLOO DUKE 2d, a red, bred at Bow Park and sold to J. H. Pickrell; got by 4th Duke of Clarence 26188; dam Imp. Waterloo 37th by 6th Baron of Oxford (33075); Waterloo 36th by Royal Cambridge (25009); Waterloo 35th by Waterloo Chief (23184), etc.

GAY LADDIE 119293—a red bull, bred by Col. W. A. Harris, sired by the Cruickshank Brawith Bud bull, Galahad 103259, out of Lee Side Nell 6th, she by the famous old bull, Dick Taylor of Glenwood 50737, and, on dam's side descends from Imp. Lady Elizabeth by Emperor (1924); Galahad was got by Imp. Master of the Rolls, out of Galanthus, she by the \$1000 bull, Imp. Barbarossa 68197, successfully used in the Ravenswood herd of Capt. Chas. E. Leonard, of Bell Air, Mo. Individually Gay Laddie is a bull of great size, fine head, drooping horn, very heavy quarters, and is probably as good an individual as Galahad ever sired. He has been a prepotent and successful breeder and, had he been handled for how would have been a hard one to beat.

MASTER PRIMROSE, was a full brother to the noted show bull, Doctor Primrose, and although never shown was always considered the better of the two. They were both bred by Col. W. A. Harris and sired by the historic breeding bull Imp. Baron Victor, that made the Linwood herd famous. The dam of Master Primrose was the splendid cow Primrose (vol. 26, page 793) by 2d Duke of Grassmere 13961.

NOTE—Kate Washington 30th is a good representative of the most profitable family of Short-horns we have ever bred. I dislike to part with her but I am not making a sale of culls, being determined to give my customers as good as I have. She is of same family as Hampton's Model and bred to Invincible Hampton Nov. 4th.

ROYAL PRINCE 4th—a pure Cruickshank—got by Victor Mysie 2d 121471, sire of the first prize herd of the Iowa State fair in 1899, also won first on get of sire at the same fair. The dam of Royal Prince 4th was by Imp. Spartan Hero 77932, second dam by Imp. Royal Duke of Pleasant Ridge 36889; 3d dam Imp. Princess Royal 6th of the same family which produced the famous show cow, Princess Alice.

COLUMBIAN LORD—pure Cruickshank of the Jesse tribe. was by Imp. Sovereign Lord 153700, out of Clara Miller, by Imp Red Emperor 51958; Clara Glamis by Imp. Lord Glamis 48192; Clarence by Imp. Baron Surmise 45933, and so on to Imp. Columbia, by Lord Lancaster, own son of the celebrated Champion of England (17556).

VALLEY CHAMPION—A pure Cruickshank bull, bred and used by F. Bellows & Sons. As a calf he was the champion winner over all beef breeds at the Iowa State Fair. He was a bull of substance and wonderful fleshing qualities, and as a uniform breeder of high class stock had few equals. That his blood is breeding on is evidenced by the high character and quality of his descendants, even to the third generation. He was got by the Cruickshank bull, Canada's Pride 2d, by Imp. Aberdeen Champion, by Barmpton, out of the historic producing cow, Caroline, by Royal Barmpton.

ROAN HEIFER CALF, Nov. 21st, 1904, by Invincible Hampton, a show bull and a prize winner at the World's Fair and other leading shows of 1904.

NOTE—Miss Cupbearer is a worthy grand daughter of the great Cupbearer, also of the great stock bull, Imp. Chief Steward. She is a good cow, a good breeder and has a fancy heifer calf at foot. Bred again Dec 22, to Invincible Hampton.

RED CUP 121750—a pure Scotch Brawith Bud bull, bred by Baughman Bros., Ansonia, Ohio. He was the highest price bull of the year 1896. Got by Imp. Cupbearer 91223; bred by Wm Duthie, out of Imp. Foxglove, bred by Cruickshank; Imp. Foxglove was by Perfection 61408 (bred by A. Cruickshank); Grizelda by Royal Violet 40649, etc. Imp. Cupbearer was for a long time the greatest champion in America and he had as many if not more championships to his credit, taken in the strongest competition in Great Britain, Canada, and the U. S. than any other bull imported up to 1898.

IMP CHIEF STEWART 96703—Red, bred by A. Cruickshank, Sittyton, Scotland; imported in 1889, by Luther Adams, Storm Lake, Iowa; got by the famous sire Cumberland 50626, out of Coltsfoot by Dunblane 65995; Cowslip by Barmpton 45246; Courtesy by Scotland's Pride (25100); Cicely by Lancaster Royal (18167), etc. The blood of nearly all of Cruickshank's most noted sires is represented in Chief Stewart. He is royally bred.

RED BULL CALF, Oct. 24th, 1904 by Gay Baron 229662.

NOTE—Scottish Rose is a Scotch & Bates topped Rose of Sharon. She is a compact, breedy red cow, has a good all red bull calf at foot and bred to Hampton's Model since March 22d.

IMP. ROSE OF SHARON was bred by Thos. Bates, Kirklevington, England, and imported in 1836 by the Ohio Importing Company. From this famous cow has descended one of the finest tribes of cattle known to the breeders of the world. This tribe became famous in the hands of the late Abram Renick, of Kentucky. He sold at one time six females for exportation to England at an average of \$3,600, and would not price any females to remain in this country until previous to his death. His bulls he sold at from \$500 to \$1,500 each to head Short-Horn herds. Bulls of this tribe have stood at the head of more herds than from any other tribe ever imported, and there are just as good Rose of Sharons today as when Abram Renick bred them.

9th BARRINGTON DUKE OF SOUTH VIEW 123057, a pure Bates bull, formerly at the head of A. NOTE—Baron Gloster is undoubtedly the best son of our former Cruickshank herd bull, Gloster, that was ever dropped at Parkdale. He has an ideal head, drooping horn, superb style and character. He carries a grand back, exceptionally well arched ribs and above all is strikingly uniform in his makeup, being free from serious criticism at any point. He is one of the best bred Cruickshank Queen of Beauties living and with his individual merit and Royal ancestry should prove a great sire.

GLOSTER 137952—a red, of the Cruickshank Flora tribe—got by the Cruickshank Duchess of Gloster bull, Royal Gloster 117199, he by the Cruickshank bull, Imp. Ducal Crown 97149, out of Duchess of Gloster 2d, by Commander 89556. The dam of Gloster, Queen Glamis, was by the Cruickshank Rosemary bull, Bonnie Scot 106590, he by Imp. & Exp. Hospodar, out of Rosemary 4th, she by Imp. Burgomaster (52665), out of Imp. Rosemary, by Breadalbane. On her dam's side Queen Glamis traces to Imp. Flora 17th, bred by A. Cruickshank and sired by Perfection 61408. From Imp. Flora 17th has sprung a valuable family of Short-Horns, notable for quality, easy fleshing tendencies and excellence at the pail.

BARMPTON ROYAL, a fine bull of the Cruickshank, Barmpton Rose family, got by Imp. Salamis 110075, out of Barmpton's Pride by Imp. Prince Bishop (58170); Imp. Barmpton Primrose by Vining (48873); Barmpton Snowdrop by Roan Gauntlet (35284).

DOUBLE LAVENDER 115031, a pure Cruickshank, got by Lavender Prince 87513 out of Imp. Lavender 51st by Gondolier 98287.

IMP. RED EMPEROR won the first prize in 1885 as a yearling at the Grand Dominion and Provincial Exhibition at London, was first at the Great Central at Hamilton, and first as well as grand sweepstakes as best bull of any age at Whitby, Canada. In 1886, as a two-year-old, was winner of the following prizes; At Maryville, Mo., first in class and first in grand sweepstakes; at St. Joseph, Mo., first in class; at Omaha, Neb., first in class, first in sweepstakes for Short-Horns, and first in grand sweepstakes, all breeds competing; at Lincoln, Neb., State Fair, first in class, first in sweepstakes for Short-Horns and first in grand sweepstakes; at Shenandoah, Iowa, first in class, and first in grand sweepstakes; at St. Louis, Mo., first in class and first in sweepstakes; thereby stamping himself as one, if not the greatest prize winner in this country. He was of Cruickshank's Goldie tribe—was by Perfection (37185), out of Harmony by Pride of the Isles (35072); g d Hawthorn by Royal Duke of Gloster (28864); gr. g d, Goldie 4th by Young Pacha (20457), etc,

NOTE—Hampton's King is a red roan of very great promise. He much resembles his great sire at the same age. His dam is the grand mother of the famous prize heifer, Hampton's Queen of Beauty (lot 3). I have great faith in this fellow and trust that he may fall into good hands.

HAMPTON'S BEST has stood at head of the Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull, of his age, whose get have made such a record. (See full pedigree on page 5).

IMP SOVEREIGN LORD—a pure Cruickshank—was by Cumberland (46144) out of Sycamore by Count Robert (45249); Surmise by Champion of England (17526); Superb by the Czar (20947); Splendor by Lord Sackville (13249).

IMP. ABERDEEN CHAMPION—bred by A. Cruickshank—was selected in person and imported in 1883 by John Dryden, Brooklin, Ontario. He was of the Cruickshank Cactus tribe, was got by Barmpton (37763) out of Costume by Bridesmaid (35586); g. d. Cactus by Champion of England (17526); gr. g. d. Cicely by Lancaster Royal (18167).

IMP. STANLEY—of Mr. Cruickshank's Rose of Violet tribe—a grand show bull and winner of many prizes in Mr. Dryden's herd: got by Caesar Augustus (25704), dam Sweet Violet by Lord Stanley (16454); g. d. Violet by Lord Bathurst (13173); Caesar Augustus, a prize bull bred and used by Mr. Cruickshank; got by the greatest of all the Sittyton bulls. Champion of England (17526) whose equal as a sire is scarcely to be found in the annals of Short-Horn cattle. The dam of Caesar Augustus was Emily by Lord Sackville (13249).

SENATOR—a roan bull of Mr. Cruickshank's breeding—got by Carac-tacus (19397), dam The Gem, dam of Master of Arts (26867) (used at Sytty-ton, by the famous Lord Raglan (13244), the sire of the dam of Imp. Baron Booth of Lancaster 7535).

SIR WALTER Scott—bred at Sittyton from Baronet (15614) dam Sybil 2d by The Baron (13833) The Baronet, bred by Mr. Cruickshank; got by The Baron (13833); dam Buttercup by Report (10704). The Baron a famous prize bull for which Mr. Cruickshank paid \$2000.

NOTE—Autocrat is one of the richest bred bulls in Cruickshank blood to be had. Any one familiar with the history of Mr. Cruickshank's breeding will recognize in the pedigree of Autocrat the names of bulls of great reputation. It will also be observed that this pedigree has been in the hands of good breeders for over thirty years. Autocrat is a masculine, of impressive stamp. Has a capital head and horn, neck short and well crested, crops and heart girth full, strong even back, ribs well arched and of good depth, well filled quarters and thighs, stands on short legs, is very uniform through, being smooth, low flanked and very vigorous. We have thought well enough of him to use him some ourselves and he is a fine server and has proven a calf getter. His mother is an extra milker.

SOVEREIGN OF CHERRY GROVE is a red bull of the Cruickshank Brawith Bud tribe. He was got by the extra good bull, Imp. Sovereign I57380 (used by Milt Jones then by J. F. Prather and later sold to Col. Hart of Illinois for \$1000.) The dam of Sovereign of Cherry Grove was the splendid cow Foxglove 2d, bred by Hon. John Dryden, sired by Imp. Sussex 100999 and out of Imp. Foxglove by Perfection 61498, Foxglove 2d, was a most excellent cow and proved a very prolific and valuable breeder.

GODOY was a massive red, bred by Col. W. A. Harris and was one of the most widely known Cruickshank bulls of his day. He was got by Imp. Sparton Hero (a son of the great Cruickshank sire Barmpton) and out of Imp. Golden Thistle, one of the largest of all the Cruickshank cows at Linwood when that herd was in the zenith of its glory, Golden Thistle was got by Roan Gauntlet (35284) out of Golden Lady by Champion of England (17256).

VALLEY CHAMPION—A pure Cruickshank bull, bred and used by F. Bellows & Sons. As a calf he was the champion winner over all beef breeds at the Iowa State Fair. He was a bull of substance and wonderful fleshing qualities, and as a uniform breeder of high class stock had few equals. That his blood is breeding on is evidenced by the high character and quality of his descendants, even to the third generation. He was got by the Cruickshank bull, Canada's Pride 2d, by Imp. Aberdeen Champion, by Barmpton, out of the historic producing cow, Caroline, by Royal Barmpton 94949 that Mr. Sanders says was undoubtedly the best bull Mr. Dryden ever owned or used.

KING GLAMIS 93198—red, 1886, sired by the imported Cruickshank bull, Lord Glamis (48192) (bred by A. Cruickshank; got by Barmpton (37763) out of Garnish by Royal Duke of Gloster (29864) out of Caroline by Royal Barmpton 94949, also bred by A. Cruickshank, sired by Lord Landsdown (29128), out of Butterfly's Delight by Allen (21172) tracing to Imp. Columbia by Lord Lancaster (20339). The sire of the dam of King Glamis was said to have been the best bull ever owned or used by Hon. John Dryden of Canada.

NOTE—Hampton's Advance is a royally bred Cruickshank Secret bull. Two of our herd bulls, Hampton's Best and Good Choice, are also of the Secret family which suggests the esteem in which we hold this tribe. This young bull has an extra back and possesses the feeding and fleshing qualities characteristic of his sire. He is deep and thick and mellow with a capital head and strong masculine character, suggesting an impressive sire. He was shown at American Royal as a junior calf and stood fourth without any fitting being taken from pasture direct to the show, and if properly cared for will be hard to beat as a junior yearling this fall.

HAMPTON'S BEST has stood at head of the Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull, of his age, whose get have made such a record. (See full pedigree on page 5).

MINATOUR 112944—Red, bred by D. Sheehan & Sons, Osage, Iowa; got by Chief Mason 102154, out of Minerva 2d by Duke of Guelders 74063; Minerva by Statesman 1st 77977; Imp. Mina of Canada by Under Sheriff 34023.

DOUBLE GLOSTER 85526—Red, bred by Wm. Magill, Out, Can; got by Imp. Prince Bishop 67273 (of Mr. Cruickshank's breeding) out of Duchess of Gloster 23d by Athelstane 7th 65067; Duchess of Gloster by Imp. Framework, tracing to Champion of England; etc. Prince Bishop being of the Duchess Gloster strain of Cruickshanks makes Double Gloster a descendent both by sire and dam of that much prized family of Sittyton Short-Horns. He proved to be a breeder of decided merit.

DUNBLANE 65995—Red, of 1881; bred by A. Cruickshank, Sittyton; sired by the famous Roan Gauntlet 45276, out of Duchess of Gloster 21st by Barmpton Prince 45247 (bred by A. Cruickshank; got by Royal Duke of Gloster (29864) out of Barmpton's Flower by Allan (21172); Duchess of Gloster 13th by Grand Duke of Gloster 19900; Duchess of Gloster 12th by Champion of England (17526), etc.

ROAN GAUNTLET 45276—Roan; by Royal Duke of Gloster (29864) out of Princess Royal by Champion of England. "The mating of the inbred Duke of Gloster with the Champion of England cow, Princess Royal, resulted in the production, in 1873, of the most famous of all the latter day Sittyton stock bulls, Roan Gauntlet." He sired many extraordinary animals, among them the renowned Field Marshal and the good stock bull Baron Violet (47444), used at Sittyton and sire of Lavender 45th, dam of Imp. Collynie.

NOTE—Gloster's Victor is the only Cruickshank Victoria bull in the sale. His dam was purchased as a calf for \$800 as one of the best of the daughters of Imp Merry Hampton and upon examination of this pedigree it must appeal to the admirers of the best Sittyton blood.

GLOSTER 137952—a red, of the Cruickshank Flora tribe—got by the Cruickshank Duchess of Gloster bull, Royal Gloster 117199, he by the Cruickshank bull, Imp. Ducal Crown 97149, out of Duchess of Gloster 2d, by Commander 89556. The dam of Gloster, Queen Glamis, was by the Cruickshank Rosemary bull, Bonnie Scot 106590, he by Imp. & Exp. Hospodar, out of Rosemary 4th, she by Imp. Burgomaster (52665), out of Imp Rosemary, by Breadalbane. On her dam's side Queen Glamis traces to Imp. Flora 17th, bred by A. Cruickshank and sired by Perfection 61408. From Imp. Flora 17th has sprung a valuable family of Short-Horns, notable for quality, easy fleshing tendencies and excellence at the pail.

IMP. MERRY HAMPTON 132572—It is generally conceded that Imp Merry Hampton is one of the greatest Short-Horns bulls on the American continent. He was selected and imported as the best young bull of his age in Great Britain in 1898 and was landed at the farm of C. B. Dustin & Son, at a cost of \$2000. His get have been in strong demand, and the substance, flesh and finish of his offsprings will undoubtedly continue to hold them in popular favor. He was bred by Mr. Duthie from the celebrated Marr-Missie tribe and sired by the Uppermill Princess Royal bull, Prince Frolic 132571, by the great William of Orange, son of Roan Gauntlet; Mademoiselle 6th, the dam of Merry Hampton, was a daughter of the great and only Field Marshal 64984; Mademoiselle 5th by Ventriloquist of the Cruickshank tribe and sired by Roan Gauntlet.

IMP. LAVENDER LAD, a choice red bull bred by Wm. Duthie. He was a wide, deep, rich-fleshed bull of much character and was a son of Mr. Duthie's celebrated stock bull Scottish Archer 117301 out of Mr. Cruickshank's Lavender 46th by Dunblane 65995.

IMP. ROYAL DUKE OF LANCASTER, was sired by Gravesend 98361, a massive bull of Mr. Cruickshank's breeding, out of Lady Lancaster, a grand cow by Field Marshal 64894.

NOTE—Hampton's Crown is a large, strong bull. Has a distinctly masculine head, drooping horn, is particularly strong over the loin, has a good bread basket, is heavy boned, smooth and thick fleshed. We believe with his excellent breeding he will make a stock bull that should not be overlooked. His dam, Mary A. Bellows, is the mother of Invincible Butterfly one of the two best heifer calves in the sale.

HAMPTON'S BEST has stood at head of the Parkdale herd for three years and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Shorthorn bull, of his age, whose get have made such a record. See full pedigree on page 5.

ROYAL PRINCE 4th—a pure Cruickshank—got by Victor Mysie 2d 121471, sire of the first prize herd of the Iowa State fair in 1899, also won first on get of sire at the same fair. The dam of Royal Prince 4th was by Imp Spartan Hero 77932, second dam by Imp. Royal Duke of Pleasant Ridge 36889; 3d dam Imp Prince3s Royal 6th of the same family which produced the famous show cow, Princess Alice.

IMP. PRIME MINISTER, Cruickshank's Victoria tribe, a thick, short-legged, heavy-quartered bull, was by Feudal Chief (51251) out of Victoria 57th, by Barmington Prince (32995); grand dam Victoria 41st by Lord Privy Seal (16444); great grand dam Victoria 39th, by Champion of England (17526), etc.

ORANGE BLOSSOM'S PERFECTION, Cruickshank's Orange Blossom tribe, an extraordinary sire at the head of the Windsor herd for six years, was by Liddesdale (48146) out of Imp. Orange Blossom 33d, by Roan Gauntlet (35284); grand dam Orange Blossom 8th by Sir Walter Scott (22922); great grand dam Orange Blossom, by Dr. Buckingham (14405), etc.

NOTE—Harry Hampton is a rich red roan, son of Hampton's Best and out of the exceptional good cow, Bell of Cadiz, descended from the Cruickshank bred cow, Imp. Oak Wreath by Allan (21172). Bell of Cadiz is the type of a cow from which to breed herd bull material. I sold her in my 1903 sale to Leeper Bro's, Maitland, Mo. for \$450. Harry Hampton is the making of a very large bull, promising 2500 at maturity. He is a smooth, mellow-hided fellow, carries an even strong back, wide loin, and has a good brisket and wide chest. We have used him some and he has proven very sure and a quick server.

IMP. OAK WREATH, (Vol. 14, p. 762, A. H. B.), by Allan (21172), a red of Feb. 20, 1869, bred by A. Cruickshank, Sittyton, Aberdeen, Scotland; imported June, 1871, by J. I. Davidson, Balsam, Ontario. She was finely bred, having three crosses of Mr. Cruickshank's breeding on a cow from the herd of Mr. Hutchinson, of Monyrue, and being a half sister to the great bull, Champion of England (17526).

HAMPTON'S BEST has stood at the head of Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull of his age whose get have made such a record. (See full pedigree on page 5).

STRATHBRAN 110385, got by Imp. Northern Light 99701, a Cruickshank, Moss Rose of Strathallan, by Young Mayflower 41363, a well bred Miss Wiley bull; Imp. Rose of Strathallan (vol. 18, p. 710, E. H. B.) by Allan (21172).

IMP. ROYAL COUNT 100601—a finely bred Cruickshank, got by Standard Bearer 100925; dam, Lovely 35th, (vol. 32, p. 313, E. H. B.), by Roan Gauntlet 45276.

NOTE—Hampton's Treasure will certainly prove a veritable treasure for the lucky breeder who secures him. He is a rich, red roan, very mellow and smooth, and is the making of a very large bull of superb character. He is full brother to Hampton's Pearl (see No 15). His grand mother was the dam of 1st prize bull calf at Illinois state fair and the American Royal 1903 and topped the American Royal sales selling to an Iowa breeder at \$500. We can recommend this young bull very strongly.

HAMPTON'S BEST has stood at head of the Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull, of his age, whose get have made such a record. (See full pedigree on page 5).

NOTE—Columbus is an all red son of Hampton's Best that headed the winning calf herd last year also the 3d prize young herd and 3d prize herd bred by exhibitor at World's Fair, St. Louis. In the junior bull calf class he was 3d at St. Louis, 1st in Mo. class; 5th at American Royal and 2d at the International 1904. He comes of a great producing family and combines the best Cruickshank topping on a very noted Booth foundation. The Seraphina tribe are noted for their great milking qualities as well as for size and breeding proclivities. He is well enough bred to head any herd in America.

HAMPTON'S BEST has stood at head of the Parkdale herd for three years, and the record of his get at the big shows, we think, demonstrates that he is one of the great sires of the breed. We do not call to mind any Short-Horn bull of his age, whose get have made such a record. (See full pedigree on page 5)

COLUMBIAN LORD—pure Cruickshank of the Jesse tribe, was by Imp. Sovereign Lord 153700, out of Clara Miller, by Imp. Red Emperor 51958; Clara Glamis by Imp Lord Glamis 48192; Clarence by Imp. Baron Surmise 45933, and so on to Imp. Columbia, by Lord Lancaster, own son of the celebrated Champion of England (17556)

VALLEY CHAMPION—A pure Cruickshank bull, bred and used by F. Bellows & Sons. As a calf he was the champion winner over all beef breeds at the Iowa State Fair. He was a bull of substance and wonderful fleshing qualities, and as a uniform breeder of high class stock had few equals. That his blood is breeding on is evidenced by the high character and quality of his descendants, even to the third generation. He was got by the Cruickshank bull, Canada's Pride 2d, by Imp Aberdeen Champion, by Barmpton, out of the historic producing cow, Caroline, by Royal Barmpton 94949 that Mr. Sanders says was undoubtedly the best bull Mr. Dryden ever owned or used.

IMP. ABERDEEN CHAMPION—Bred by A. Cruickshank—was selected in person and imported in 1883 by John Dryden, Brooklyn, Ontario, afterwards purchased by L. Miller, Maryville, Mo. He was of the Cruickshank Cactus tribe, was got by Barmpton (37763) out of Costume by Bridesmaid (30586) g. d. Cactus by Champion of England (17526); gr. g. d. Cicely by Lancaster Royal (18167).

SCOTCH MASTER is a rich red roan, very growthy and smooth, with capital head and great carriage. He has very smooth, well laid shoulders, is well filled and smooth back of shoulders, extra good back, great length, very strong bone, is the making of a very large bull, and is believed to be fully as promising at the same age as was his great sire. He is bred to make a winner.

IMP. ALEXANDRIA 6th—Bred by W. S. Marr, Aberdeenshire, Scotland; has the same foundation as Cruickshank's Cicely tribe. Mr. Robbins' great show and breeding bull, Gay Monarch, was of this family and the dam of the noted show bull, Cupbearer, (52962), was by Gladstone (31254), the sire of Alexandria 6th.

MASTER OF THE GROVE—descends from the Cruickshank Orange Blossom cow Imp. Orange Blossom 19th, from which many show cattle have sprung. NOTE—Thickset is all that his name suggests. He is distinctly of the thick, mellow, early maturing, easy feeding type. With all his most excellent feeding qualities he inherits his thrift and fleshing tendencies from his great sire, Victorallan. His mother is one of the best milking Short-Horn cows we have ever owned. This young bulls three top sires were bulls of outstanding excellence.

VICTORALLAN, sold in our June 1904 sale for \$875 to Cary Bros. of Denver, Colorado. He has proven himself a great breeder and we regret having parted with him. He was got by the Cruickshank Victoria bull Imp. Victoria's Count 141842, bred by J. Dean Willis, out of the show cow Daisy of Strathallan 13th, by Barmpton M 139263, by the great Barmpton Hero 58813. This pedigree is "chock" full of prize winning blood.

GLENDON, was a Cruickshank Brawith Bud bull bought by the great Ambassador 11084, out of Galanthus, she by Imp. Barbarossa 68197 and out of Imp. Gladiolus by Pride of the Isles. Florence Leslie	Prince Albert 2d	857	Arthur Watts
Hannah Moore	Goldfinder	2066	John Lawson
Imp. Young Mary	Jupiter	(2170)	Bred in England

NOTE—Gayallan is a handsome young bull of noticeable style and quality. His dam is a thoroughly desirable cow in every respect, just the kind of a cow one would want to get a herd bull from. This young bull's three top sires are bulls that carry the best Scotch blood of the breed in their veins. We have much confidence in Gayallan's development.

VICTORALLAN, sold in our June, 1904, sale for \$875 to Carey Bro's, of Denver, Colorado. He has proven himself a great breeder, and we regret having parted with him. He was got by the Cruickshank Victoria bull Imp. Victoria's Count 141842, bred by J. Dean Willis, out of the show cow Daisy of Strathallan 13th, by Barmpton M 139263, by the great Barmpton Hero 58813. This pedigree is chock full of prize winning blood.

GAY LADDIE 119293—a red bull, bred by Col. W. A. Harris, sired by the Cruickshank Brawith Bud bull. Galahad 103259, out of Lee Side Nell 6th, she by the famous old bull, Dick Taylor of Glenwood 50737, and, on dam's side descends from Imp. Lady Elizabeth by Emperor (1924). Galahad was got by Imp. Master of the Rolls, out of Galanthus, she by the \$1000 bull, Imp. Barbarossa 68197, successfully used in the Ravenswood herd of Capt Chas. E. Deonard, of Bell Air, Mo. Individually Gay Laddie is a bull of great size, fine head, drooping horn, very heavy quarters, and is probably as good an individual as Galahad ever sired. He has been a prepotent and successful breeder and, had he been handled for show, would have been a hard one to beat.

RED BARON 120699—a red, Scotch bred bull, descending from the Cruickshank bred cow, Imp. Lady of Shallot, by Dunblane 65995. He was got by 2d Baronet of Linwood 68249, bred by Col. W. A. Harris, and sired by Imp. Baron Victor. The dam of Red Baron, Lady Whiteface, was by Imp. Thistle-top 83876, bred by A. Cruickshank.
